

Quality Paving Work Built to Last

Parking lots, roadways and athletic facilities leave a big impression and require an experienced contractor. The professionals at Atlas Paving are dedicated to planning and providing timely, durable asphalt paving and site work to ensure each project is a long-lasting success.

Flexibility and expertise allows Atlas to provide an array of services:

- **Asphalt Paving:** new commercial and industrial lots, drives, and roadways; resurfacing existing surfaces; and patching/repairs.
- **Recreational Paving:** tennis courts, running tracks, walking and cart paths.
- **Site work:** excavation, grading, stone and gravel work, drainage systems including catch basins and conduit.
